## ADDENDA

It is the contractor's responsibility to determine which, if any, addenda pertains to any project they may be bidding. Failure to incorporate all relevant addenda may cause the bid to be declared unacceptable. With the implementation of only electronic Plans and Proposals the Department will not send addendums to individual plan holders.

Each addendum will be placed with the electronic Plan and/or Proposal on the CD-ROM set until the letting set is complete. Any addendums after the final CD-ROM will be posted on the internet. Addendums will also be placed on the Addendum/Revision Checksheet. The subscription service will notify subscribers via e-mail of each addendum/revision issued.

The Internet is the Department's primary way of doing business. The subscription service e-mails are an added courtesy the Department provides. It is suggested that bidders check IDOT's web site Doing Business/Letting & Bidding Information page (<http://www.dot.il.gov/desenv/delett.html>) before submitting final bid information.

**IDOT is not responsible for any e-mail related failures.**

Questions may be directed to the Contracts Office at (217)-782-7806 or [D&Econtracts@nt.dot.state.il.us](mailto:D&Econtracts@nt.dot.state.il.us).

Technical questions may be directed to Roseanne Nance at (217)-785-5875 or [nancer@nt.dot.state.il.us](mailto:nancer@nt.dot.state.il.us)

# **SPECIAL NOTICE**

## **ADDITIONAL BIDDER RESPONSIBILITY EVALUATION CRITERIA**

Some projects let by the Department contain a Special Provision titled ADDITIONAL BIDDER RESPONSIBILITY EVALUATION CRITERIA. This Special Provision requires the bidder to submit a work plan, disclosure of any labor action and a complete description of the control, supply and delivery of key materials.

**FAILURE TO SUBMIT THE WORK PLAN WITH THE BID SHALL BE CAUSE TO  
DECLARE THE SUBMITTED BID NOT RESPONSIVE.**

On past Lettings bidders have not complied with this Special Provision causing their bids to not be read. It is imperative that bidders pay attention, and comply with this and all Provisions of the contract.

Questions regarding the application of this Special Provision may be directed to Jim Duncan at 217-782-7806 or [Duncanjr@nt.dot.state.il.us](mailto:Duncanjr@nt.dot.state.il.us).

# SPECIAL NOTICE

## ELECTRONIC PROPOSALS & Plans

For the April 23, 2004 Letting the Department will be offering Proposals and Plans in three (3) forms.

1. Paper, at a cost of \$35.00 per set.
2. Downloaded from the IDOT's web site Doing Business/Letting & Bidding Information page (<http://www.dot.il.gov/desenv/delett.html>) at no cost.
3. CD-ROM at a cost of \$35.00 per letting set (letting set = all Proposals & Plans pertaining to a specific Letting).

To order paper copies one must submit a Request for Proposal Forms and Plans & Request for Authorization to Bid (Form BDE 124).

To order the CD-ROM one must submit a Request for Proposal Forms and Plans & Request for Authorization to Bid (Form BDE 124) or Request for Authorization to Bid/or Not For Bid Status (Form BDE 124INT).

Firms wishing to bid directly to the Department **MUST** Request Authorization to Bid (Form BDE 124 or BDE 124INT). Prospective bidders **MUST** also submit an Affidavit of Availability (Form BC 57).

Firms that have not received an authorization form within a reasonable time of complete and correct original document submittal should contact the Department as to status. This is critical in the week before the Letting. These documents must be received by three (3) days before the Letting date. Firms unsure as to authorization status should call the Prequalification Section of the Bureau of Construction at 217-782-3413.

Firms downloading Proposals and/or Plans that do not wish to bid directly to the Department will not be placed on the Not For Bid list unless they request to be added to the list. Such requests shall be made by submitting a Request for Authorization to Bid/or Not For Bid Status form (BDE 124INT).

The Contracts office will now accept these forms via e-mail. Forms can be e-mailed to [D&EContracts@nt.dot.state.il.us](mailto:D&EContracts@nt.dot.state.il.us). Forms can still be submitted via fax at 217-785-1141.

Beginning with the May 7, 2004 Notice of Letting Bulletin for the June 2004 Letting, plans and proposals will be available on the Department's web site or on CD-ROM **ONLY**. It is strongly recommended that firms utilize the web site and/or CD-ROM for the April Letting. This will assist in determining if any system optimizations are needed and/or if it is more feasible to outsource the printing for your firm before paper copies are no longer available.

Any questions may be directed to the Contracts office at 217-782-7806 or [D&EContracts@nt.dot.state.il.us](mailto:D&EContracts@nt.dot.state.il.us).

Technical assistance may be directed to Roseanne Nance at 217-785-5875 or [nancer@nt.dot.state.il.us](mailto:nancer@nt.dot.state.il.us).

## **IDOT Contractor's Packet**

Subscription listname: **IDOTContractorsPacket**

The IDOT Contractor's Packet will subscribe the requestor to all of the following publications and reports:

### **IDOT Addendum Checklist**

The IDOT Addendum Checklist identifies all letting items that have been revised by addendum. The contractors should use this checklist to ensure they have incorporated into their plans and proposals all addenda that have been issued for each particular letting item. The checklist also identifies withdrawn and deleted items. The checklist is published regularly whenever addenda are processed.

### **IDOT Aeronautics Unit Price Tabulation of Bids**

The Aeronautics Unit Price Tabulation of Bids is a listing of all unit price bids on awarded jobs for the letting, sorted by letting item. The listing identifies the actual bidders, the as-read bid amounts, the corrected bid amounts (if applicable) and the low bidders. The listing is not published until jobs are awarded. Typically, Unit Price Tabulation of Bids listings begin to be published four to eight weeks after the letting, excluding the federal discretionary seeking projects placed on the March and August lettings. These may take several months before funds are secured and the projects awarded.

### **IDOT As Read Tabulation of Bids**

The IDOT As Read Tabulation of Bids is a listing of bids as they were read at the bid opening. The bid amounts are not checked at the time this listing is produced. This listing also includes a page which identifies all letting items for which the as read low bid was, prior to a post letting review, within a reasonable approximation of the Engineer's estimate. The listing is usually published by 4:30 p.m. of the day of the letting.

### **IDOT Construction Contractor's Transportation Bulletin – Notice of Letting**

The IDOT Construction Contractor's Transportation Bulletin – Notice of Letting is the official publication and invitation for construction bids by the Illinois Department of Transportation's Division of Highways, IDOT Division of Aeronautics and the Illinois Department of Natural Resources. The bulletin also contains information pertaining to pre-bid meetings, the DBE program and other current information. The bulletin will be published on the advertised publish date for each regularly scheduled letting. Special lettings will have applicable bulletins published at least 14 days prior to the letting on an as needed basis.

# Special Notice Regarding IDOT Proposals, Authorization To Bid & Requests For Plans & Proposals

## ABOUT IDOT PROPOSALS

All proposals issued by IDOT are potential bidding proposals. Each proposal contains all Certifications and Affidavits, a Proposal Signature Sheet and a Proposal Bid Bond required for Prime Contractors to submit a bid after written AUTHORIZATION TO BID has been issued by IDOT's Central Bureau of Construction.

## ABOUT AUTHORIZATION TO BID

**WHO CAN BID?:** Bids will be accepted from only those companies that **request and receive** written **Authorization to Bid** from IDOT's Central Bureau of Construction. To request authorization, a potential bidder must complete and submit Part B of the Request for Proposal Forms and Plans & Request for Authorization to Bid form (BDE 124).

**WHAT CONSTITUTES AUTHORIZATION TO BID?:** When a prospective prime bidder submits a "Request for Proposal Forms and Plans" he/she must indicate at that time which items are being requested for Bidding purposes. Only those items requested For Bidding will be analyzed. After the request has been analyzed, the bidder will be issued a **Proposal Denial and/or Authorization Form**, approved by the Central Bureau of Construction, that indicates which items have been approved for Bidding. If **Authorization to Bid** cannot be approved, the **Proposal Denial and/or Authorization Form** will indicate the reason for denial.

**FIRMS UNSURE AS TO AUTHORIZATION STATUS?** Firms that have not received an authorization form within a reasonable time of complete and correct original document submittal should contact the department as to status. This is critical in the week before the letting. These documents must be received by three days before the letting date. Firms unsure as to authorization status should call the Prequalification Section of the Bureau of Construction at 217/785-4927.

## ABOUT REQUESTS FOR PLANS & PROPOSALS

The request form used for ordering plans and proposals, Form BDE 124 (Revised 3/2000), has been designed to provide better communication between requesters and IDOT personnel who are responsible for processing plan and proposal orders. If requesters follow the instructions printed on the reverse side of the form, it will help save time, eliminate errors and expedite the processing of requests.

Requests for plans and proposals will not be honored unless submitted on the proper form, a copy of which is included in this issue of the Transportation Bulletin.

### Notice

NO AUTHORIZATION TO BID WILL BE ISSUED UNTIL A **COMPLETED PART B OF FORM BDE 124** and THE **ORIGINAL** AFFIDAVIT OF AVAILABILITY HAS BEEN FILED WITH THE CENTRAL BUREAU OF CONSTRUCTION

## **SPECIAL NOTICE REGARDING JOINT VENTURES**

On July 29, 1997, the Illinois Department of Transportation adopted amended administrative rules governing "Prequalification of Contractors & Issuance of Plans & Proposals". Pursuant to those rules, procedures for analysis and Authorization to Bid on for joint ventures on state lettings will henceforth be as follows:

- 1) Prequalified contractors may combine their available bidding capacity and request Authorization to Bid for a single contract to bid as a joint venture after department approval.
- 2) Each request for approval of a joint venture shall be indicated by the filing of a Certificate of Joint Venture for each contract for which approval is sought. It identifies the managing party and indicates the conditions under which the joint venture exists. The joint venture agreement shall be available to the Department for inspection. Each joint venture party shall also submit an Affidavit of Availability. The original Certificate of Affidavits must be received no later than 4:30 p.m. prevailing time seven days prior to the scheduled date of the letting for which Authorization to Bid is sought.
- 3) Very large and complex projects may be designated as being eligible for "unrestricted joint venturing", and will be clearly denoted as such in the Transportation Bulletin. These projects will not be subject to restrictions with respect to the number of parties or other joint ventures conditions, but will still be required to submit a Certificate of Joint Venture and individual affidavits by the aforementioned time and date before Authorization to Bid will be considered.
- 4) On projects estimated by the department at greater than \$1,000,000 and not designated for (unrestricted joint venturing), Joint Ventures shall have no more than three parties.
- 5) On projects estimated by the department at less than \$1,000,000 Joint Ventures shall have no more than three parties. One or more of the parties must have insufficient available individual prequalification ratings to be Authorized to Bid, unless one of the following conditions exist:
  - a) There is fifty-one percent or more common controlling ownership between the parties.
  - b) There common management between the firms where the officers, directors or general partners control the board of directors and/or management of each party.
- 6) Contractors with financial ratings are based upon unaudited financial statements will not be permitted to joint venture with each other to bid contracts which the department estimates at greater than \$500,000. However, such firms may be permitted to joint venture with firms who have a financial rating based upon an audited statement to bid on contracts the department estimates at greater than \$500,000.
- 7) If a party's work rating is limited by its maximum financial rating, the full value of the computed work rating will be used in analyzing the joint venture request. However, the combined maximum work rating in any category shall not exceed the combined financial ratings of the joint venture.

Copies of all required joint venture forms are attached to each Transportation Bulletin.

Please note that signed and notarized originals of all required joint venture forms mentioned above must be received by 4:30 p.m. prevailing time seven days prior to the scheduled letting date. These forms should be mailed to the following address:
